PROPOSALS

Rebecca Wang

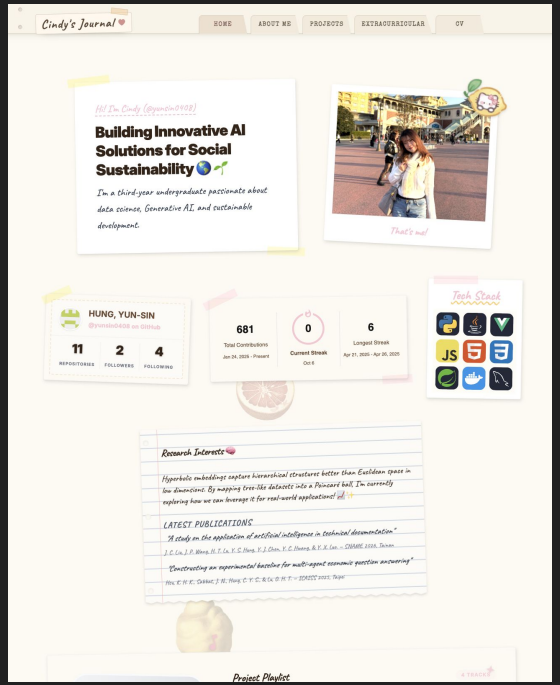

The concept or theme of the site

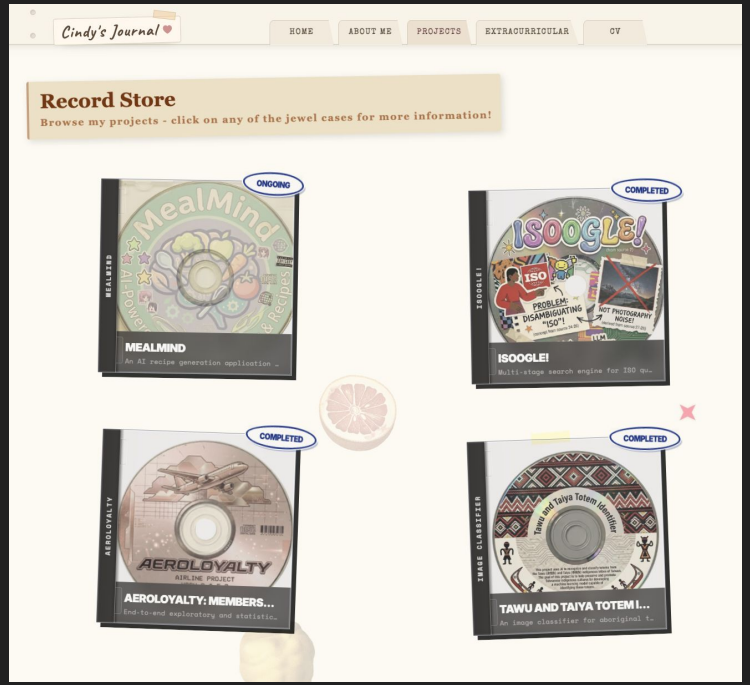

- Topic: personal portfolio
- Who would visit it?

  Hiring managers and recruiters, and people who want to work with me

An existing website you drew inspiration from

https://yunsin0408.github.io/portfolio/#/

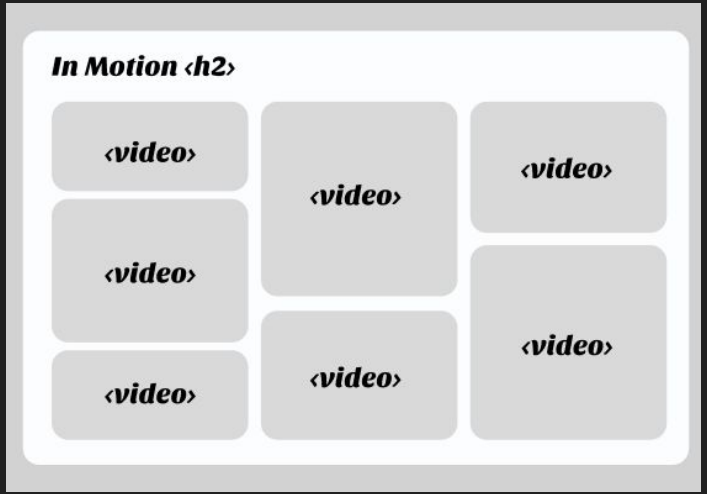

What you can already build

- Header on both pages
- Cards layouts with flexbox
- Lists and links
- Multi-page site
- Fonts and background
- Spacing
- "The Journey so far": the vertical line
- Hover effects

What you still need to learn

- Video in the In Motion section. How to make <video> play like a GIF
- Uneven gallery layout

Wireframe and sitemap
